

# HARDY ROSES FOR ZONE 4

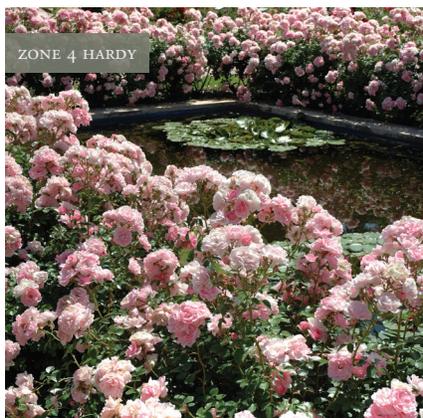

## BLANC DOUBLE DE COUBERT

*'Blanc Double de Coubert'*

This incredibly pure white rose produces semi-double, very fragrant flowers from spring to fall. Flowers are sometimes followed by orange hips.

SCENT: Strong	ZONES: 3b–9b
BREEDER: Charles Pierre Marie Cochet-Cochet	HABIT: Tall, arching, 4'–7' h x 4'–7' w

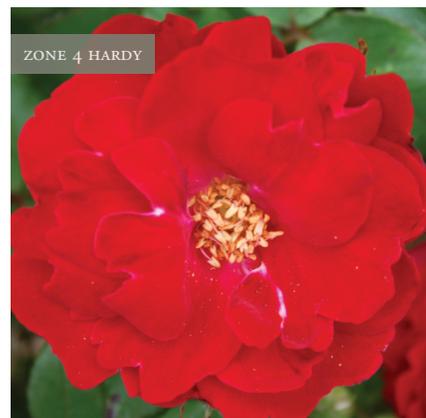

## BONICA®

*'Meidomonac'*

It is a tough, vigorous shrub with beautiful clusters of 2½" shell pink flowers that bloom from spring until late fall. Bright orange seed hips add drama to the winter landscape.

SCENT: Slight	ZONES: 4–10
BREEDER: Meilland®	HABIT: Bushy, spreading, 3–5' h x 4½–5' w

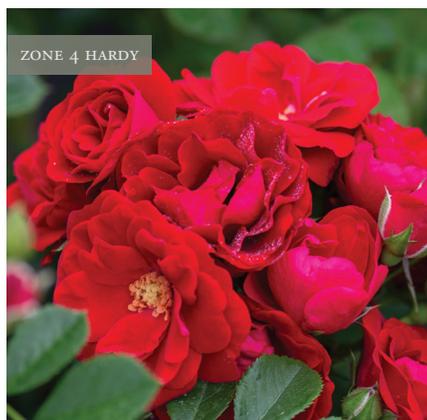

## CHAMPLAIN

*'Champlain'*

Small, deciduous shrub with rugosa, rose-like appearance. Ruffle-petaled, scarlet flowers have bright yellow stamens and slight fragrance. From the Explorer series of Canadian Roses.

SCENT: Mild	ZONES: 4–9
BREEDER: Dr. Felicitas Svejda	HABIT: Upright; 3'–4' h x 3'–4' w

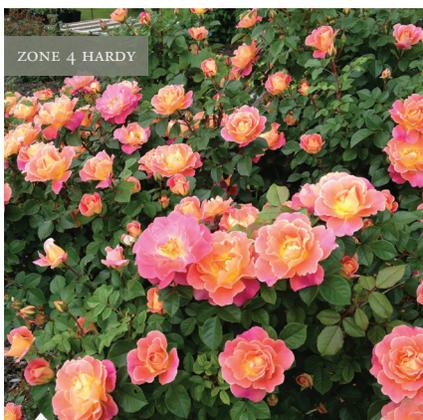

## CHERRY FROST™

*'Overedclimb' PP 31,286 CPBRAf*

It is a solid, cane hardy, zone 4 rose with beautiful clusters of smaller red blooms. It will repeat bloom throughout the season in abundance. It has superior disease resistance and performs well on its own roots.

SCENT: Very slight	ZONES: Hardy to 4
BREEDER: Julie Overum	HABIT: Climber, Up to 6½' h

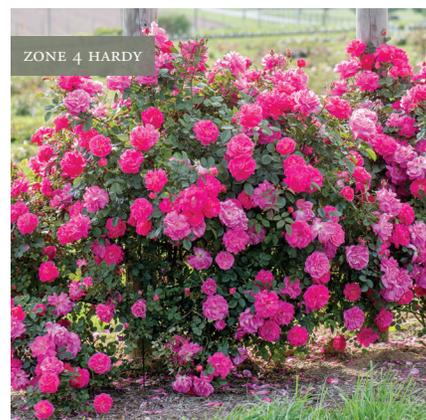

## FRUITY PETALS™

*'Radpetals' PP 28,657*

This disease resistant climber explodes with a heavy flush of blooms in the spring and re-blooms throughout the season. The unique color can be described as coral with a yellow eye.

SCENT: Slight	ZONES: 4–9
BREEDER: Will Radler	HABIT: Bushy, climber, up to 6' h

## HIGHWIRE FLYER™

*'Radwire' PP 29,533*

Highwire Flyer™ has a very strong, vibrant color with excellent resistance to black spot, rust and mildew. Abundant and continuous, electric, hot pink blooms will make a statement in any garden.

SCENT: Very slight	ZONES: 4–11
BREEDER: Will Radler	HABIT: Very bushy, climbing, up to 6' h

## PEACHY KNOCK OUT®

'Radgor' PP 25,628

Blooms from spring through fall with attractive pink flowers. The overall color effect is peach, achieved with the combination of pink petals that become yellow in the center.

SCENT: Very slight	ZONES: 4-11
BREEDER: Will Radler	HABIT: Mounding, 3' h x 3-4' w

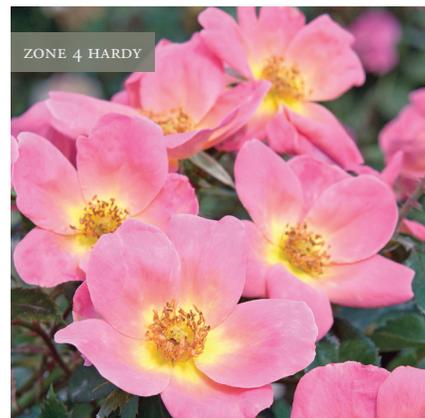

## PETITE KNOCK OUT®

'Meibebino' PP 30,811 CPBRA  
U.S. Utility Patent Pending

The first-ever miniature Knock Out® Rose, offering the same flower power, easy care and disease resistance as others in The Family. It makes the perfect addition to small gardens and containers.

SCENT: Very slight	ZONES: 4-10
BREEDER: Meiland®	HABIT: Compact, bushy, 1½' h x 1½' w

## RAINBOW KNOCK OUT®

'Radcor' PP 17,346 CPBR 3,444

Uniquely colored, coral-pink blooms with yellow centers, Rainbow Knock Out® is more compact than the other family members. New foliage first appears deep burgundy, then ages to dark green.

SCENT: Very slight	ZONES: 4-11
BREEDER: Will Radler	HABIT: Bushy, 3-4' h x 3-4' w

## PINK PAVEMENT

The Pavement series of Rugosa Hybrids was introduced in the 1980's and has become popular in Canada and zone 4 due to its winter hardiness and excellent disease resistance. Heavy spring flush with occasional repeat in the season.

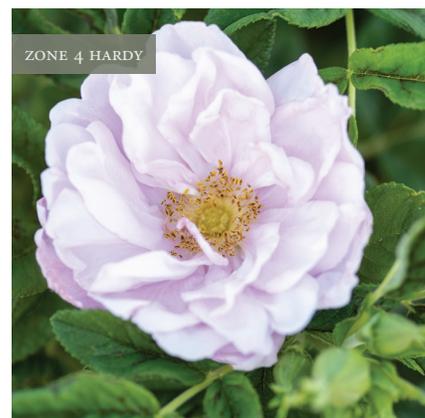

SCENT: Very slight	ZONES: 3b-9b
BREEDER: Karl Baum	HABIT: Upright, 3-5' h x 3-4' w

## PURPLE PAVEMENT

Purple Pavement has large, semi-double blooms and a heavy spring flush with occasional repeat in the season. In the fall, the plant is covered by bright colored hips, contrasting nicely with the red, fall foliage.

SCENT: Strong	ZONES: 3b-9b
BREEDER: Karl Baum	HABIT: 3-6' h x 3-6' w

## SNOW PAVEMENT

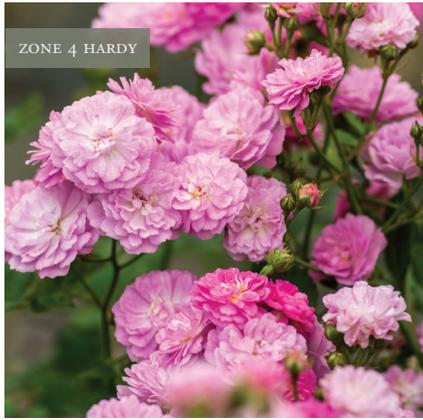

Nicely pointed, pink buds open to very fragrant, semi-double, white flowers sometimes suffused with pink, contrasting nicely with the dark green foliage. Heavy spring flush with occasional repeat in the season. Large red hips add winter interest.

SCENT: Strong, clove	ZONES: 3b-9b
BREEDER: Karl Baum	HABIT: 3' h x 3' w

### PRETTY POLLY® LAVENDER

*'Zlepolthree'* PP 31,642 CPBRAf

A lavender polyantha rose with very good disease resistance and excellent flowering from spring to fall. It maintains a pleasing, compact habit in the landscape.

SCENT: Very light, sweet	ZONES: 4-10
BREEDER: David Zlesak	HABIT: Very bushy, compact, 1½' h x 2' w

### PRETTY POLLY® PINK

*'Zlepolone'* PP 31,644 CPBRAf

Pretty Polly® Pink is a pink polyantha rose with very good disease resistance and exceptional flowering from spring to fall. It maintains a pleasing, compact habit in the landscape.

SCENT: Very light, sweet	ZONES: 4-10
BREEDER: David Zlesak	HABIT: Very bushy, compact, 2½' h x 3' w

### PRETTY POLLY® WHITE

*'Zlepoltwo'* PP 31,106 CPBRAf

A white polyantha rose with very good disease resistance and excellent flowering from spring to fall. It maintains a pleasing, compact habit in the landscape and is nearly thornless!

SCENT: Very light, sweet	ZONES: 4-10
BREEDER: David Zlesak	HABIT: Very bushy, compact, 3' h x 3' w

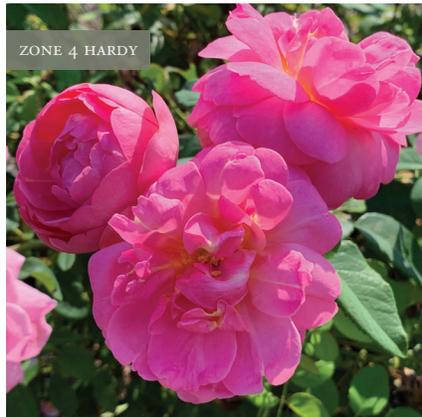

### ICECAP™

*'Meiradena'* PP 26,790

Icecap™ displays a dense flush of pure white flowers on a compact, rounded shrub. It has excellent repeat-blooming and disease resistance.

SCENT: Very slight	ZONES: 4-9
BREEDER: Meiland® and Will Radler	HABIT: Compact, rounded, 2½' h x 3½' w

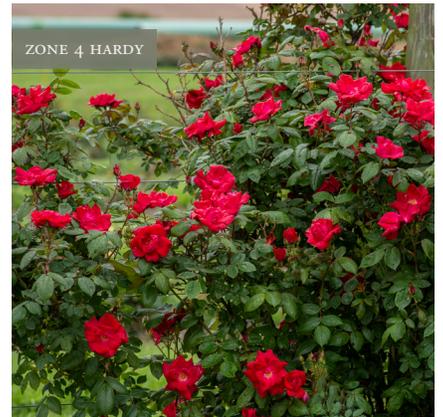

### SITTING PRETTY™

*'Radbeauty'* PP 32,456 CPBRAf

Sitting Pretty™ has good disease resistance and habit. It works well in a container, and it can be used either as a shrub or a traditional rose in the landscape. The large, pink blooms have a medium, damask scent.

SCENT: Strong, clove	ZONES: 4-11
BREEDER: Will Radler	HABIT: Bushy, rounded, 3-4' h x 3-4' w

### WINNERS CIRCLE™

*'Radwin'* PP 19,310

This hardy climber from the breeder of The Knock Out® Rose is sure to become a favorite. It is winter hardy to zone 4 and very floriferous. Its fire-engine-red color is non-fading and can take the heat.

SCENT: Very slight	ZONES: 4-9
BREEDER: Will Radler	HABIT: Climber, 10-12' h
