

BUDDLEIA

Features + Benefits

From STAR[®] ROSES and PLANTS

These Buddleia varieties are exceptionally free flowering and will produce new blooms throughout the season until frost.

BUDDLEIA BLAZE PINK

Buddleia hybrid 'Bosblink'
PP 25,731

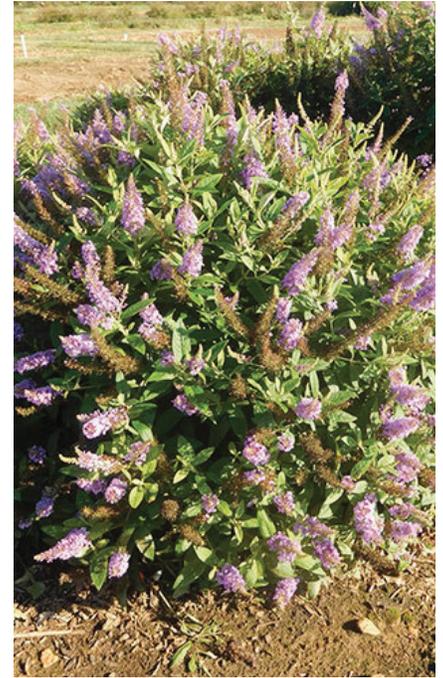

- ▶ Upright, 5–6' h x 4–5' w
- ▶ Stronger pink flower color than other varieties on the market.
- ▶ Upright habit with strong stems.
- ▶ Contrast between silver-green foliage and bright flowers is eye-catching at retail and in the garden.

CRANRAZZ™ BUDDLEIA

Buddleia hybrid 'Boscranz'
PP 25,730

- ▶ Upright, 5–6' h x 5' w
- ▶ Brightest magenta colored Buddleia on the market.
- ▶ Large flowers; 12–14"
- ▶ Produces more flowers in a brighter color than other varieties on the market.

DAPPER® LAVENDER BUDDLEIA

Buddleia davidii 'Buddaplav'
PP 33,625

- ▶ Compact, mounded, 3–4' h x 3–4' w.
- ▶ Non-brittle branches and upright mounded habit eliminate loss of flowers during shipping and stocking.
- ▶ Fast to finish with minimal trims.
- ▶ Strong flushes of new flowers hide the spent blooms and eliminate the need for dead heading.
- ▶ Improved flower coverage over the full canopy.
