## 2024 NEW ROSE VARIETIES

Easy Bee-zy™ Knock Out®  
'SRPylwko' PPAF

An outstanding addition to the Knock Out® family, this yellow rose continuously produces very bright blooms with long-lasting color. It offers a light citrus fragrance and a single petal display that is alluring to pollinators. The plant is vigorous and overall demonstrates excellent resistance to black spot, rust, and mildew.

FLOWER COLOR: Yellow
FOLIAGE: Dark green
SIZE: 3-4' h x 3' w

Orange Glow™ Knock Out®  
'Radslam' PPAF

Finally, an orange Knock Out® rose! This luminescent beauty boasts double orange blooms that display shades of coral, pink, and yellow throughout the cuplike petals. Moderate light at dusk and dawn will set its coloration and fair foliage glowing. Its incredible rust resistance makes it a top-performer in every climate and a standout on the West Coast.

FLOWER COLOR: Orange with coral, yellow, and pink
FOLIAGE: Medium green
SIZE: 4½' h x 3' w

Cherries & Champagne™  
'Meilkonque'

Pointed buds appear on a vigorous shrub. The double blooms offer a unique and multilayered color-changing effect, with the primary color transitioning from red to pink underlined by the pale-yellow petal reverse finishing a delicate cream. Glossy foliage and a sweet fragrance make this rose irresistible. Above average disease resistance for a Hybrid Tea.

FLOWER COLOR: Red to deep pink
FOLIAGE: Medium green
SIZE: 3-4' h x 3' w

Desert Sky™  
'Meillersroc' PPTBS

This brick orange rose has undertones of mauve and cedar, offering color with as much depth as a West Coast sunset. Its performance on the West Coast is excellent for a bloom with this coloration. Vigorous on its own roots, it stays compact in the landscape and is an abundant bloomer. Its light, spicy fragrance is reminiscent of cinnamon.

FLOWER COLOR: Brick orange
FOLIAGE: Dark green
SIZE: 2½' h x 2½' w
